## **FEATURED MUSICAL ARTISTS**

(In order as songs appear on the *Succubus* soundtrack)

### **RAVEN WYLDER – “SAVE ME”**

With powerful vocal styling, Raven Wylder belts out the opening track, “Save Me” in the short film, *Succubus* . This actress-singer- songwriter took to the stage at the young age of seven, where she stunned audiences as she shamelessly belted out the song, “I’m a Woman.” At 10, she joined Richard Pryor on the pilot of his short-lived variety show, *The Richard Pryor Special* . Raven landed several national and international commercials and even a speaking role on the popular TV series, *The Waltons* . She was featured in a live singing performance on both *The Danny Thomas Telethon* and *The Jerry Lewis Telethon* . She has performed for audiences around the world including the late Princess Diana of Wales, former California governor, Jerry Brown, California senator, Diane Feinstein, and New York City Mayor, Mario Cuomo. In addition to her film appearances in the cult classic, *Sid and Nancy* and *Duty Dating* , Raven was recognized as 1999’s “Best New Artist” and 2001’s “Best Country Artist” at the L.A. Music Awards. (For more on *Raven Wylder* , please visit [www.ravenwylder.com](http://www.ravenwylder.com) .)

### **FRANCESCA CAPASSO – “ACTION JAXX”**

Bloozy, Funky, and “Barn Burner” are a few words used to describe the R&B stylings of Francesca Capasso who croons the recurring theme, “Acid Jazz” in the short film, *Succubus* . Originally from Houston, Francesca has performed with *Some Like It Hot* , an all-female R&B Revue, and legendary Rock Drummer, Carmine Appice. Her inspirational House single, “Been to the Mountain”, was featured in the Dirk Shafer film, *Circuit* . Her single was first released by Warren Riggs in 2000 on the PRIDE 2000 two-disc dance compilation and then released in 2001 on the two-disc compilation, UTOPIA. Francesca currently performs with *Francesca and The Flames* . Their seven song CD REBEL CHILE was nominated for “Best Rock Album” by the 2000 L.A. Music Awards and the band has been featured in MUSIC CONNECTION Magazine’s Top 100 *Best Unsigned Artists* of 1998, 1999 and 2000.

### **KLONE – ‘FOOLIN’ ME’**

Diane and Elaine Klimaszewski comprise the singing sensation, Klone, and perform their single, “Foolin’ Me” in the short film, *Succubus*. Born of Polish immigrants and entertainers since the age of thirteen, the Twins are the media stars at the centerpiece of the powerful Coors Light ad campaign. In addition to gracing the pages of national publications such as MAXIM and FLEX, the Twins have been the featured dancers on audience TV favorites *Your Big Break*, *Mad TV* and *The Nikki Cox Show*. More recently, the Twins have guest starred on popular TV shows including *The Drew Carey Show*, *Lucky* and *Star Trek: Enterprise*. The Twins have also been featured in films such as *The Wedding Planner*, *Crocodile Dundee in Los Angeles* and *Scary Movie 3*. (For more on Klone, please visit [www.twinship.com](http://www.twinship.com) .)

### **SHITTING GLITTER – “STRAPPING” (Remix with JONATHAN MORNING)**

Strap one on and saddle-up for a five-cent mustache ride. Shitting Glitter is here to guide you into their psychedelic new-wave trailer park where they perform, “Strapping”, their latest single featured in the short film, *Succubus*. Shitting Glitter is comprised of Amy Crosby, lead vocals; Brandon Strecker, guitar; Devin Strecker, synthesizers and backing vocals; and Eddie Robinson, drums. Angst meets kitsch in this sonic landscape as the glam-rock and synth-pop sounds are twisted around lyrics pieced together from a schizophrenic world of pain and partying, disgust and discothèques.
